PROFILE SUMMARY

Naoise is an experienced sound engineer and music producer with a diverse background across studio recording, live sound, and audio software. Naoise's music career began as a bassist playing in rock bands and gradually evolved into electronica. In 2018, he launched his NZEN7 project - an eclectic fusion of minimal techno and progressive trance playing shows in Taiwan, Australia & Ireland. In 2024, he began a master's degree in experimental sound practice at University College Cork.
